”

WE DESIGN A BETTER FUTURE

“We welcome projects of all sizes and we are committed to deliver the highest level of value and service to all our clients, because we strongly believe that today's

project is tomorrow's legacy.”

AHMED EL BASEL
General Manager

ABOUT US

UEC was established in 2010 by Eng. Ahmed Elbasel as an electromechanical contracting. Since then it has developed rapidly specialized in HVAC, Firefighting & Light current Contracting projects with long list of projects executed in Egypt

UEC mission is to provide high quality professional services to its clients in an efficient, timely manner, with the

highest standards, state of the art and economical solutions.

With our qualified employees, UEC has successfully executed more than 50 prestigious projects with very high proficiency and engineering excellence, presenting an impressive portfolio of electromechanical services in the markets.

VISION & MISSION

To be the preferred business partner in the field of electro-mechanical contracting, by providing the best service quality with full commitment to the highest occupational safety & health standards.

To keep on providing the highest level of service & to exceed the expectations of our customers. Develop our capabilities & skill in order to always ensure to be the best.

Ensure to provide a work environment that encourages participation and creativity.

OUR CORE VALUES

- Honesty.
- Reliability.
- Responsive.
- Quality.
- Continuous improvement.

WHAT WE DO

electromechanical solutions and services in almost all business Sectors in Egypt especially in Administration Buildings, Industrial sectors, Commercial Buildings , Residential & Office Compound, Studio Building , Schools & Collages depending on excellence of our previous experience in the market

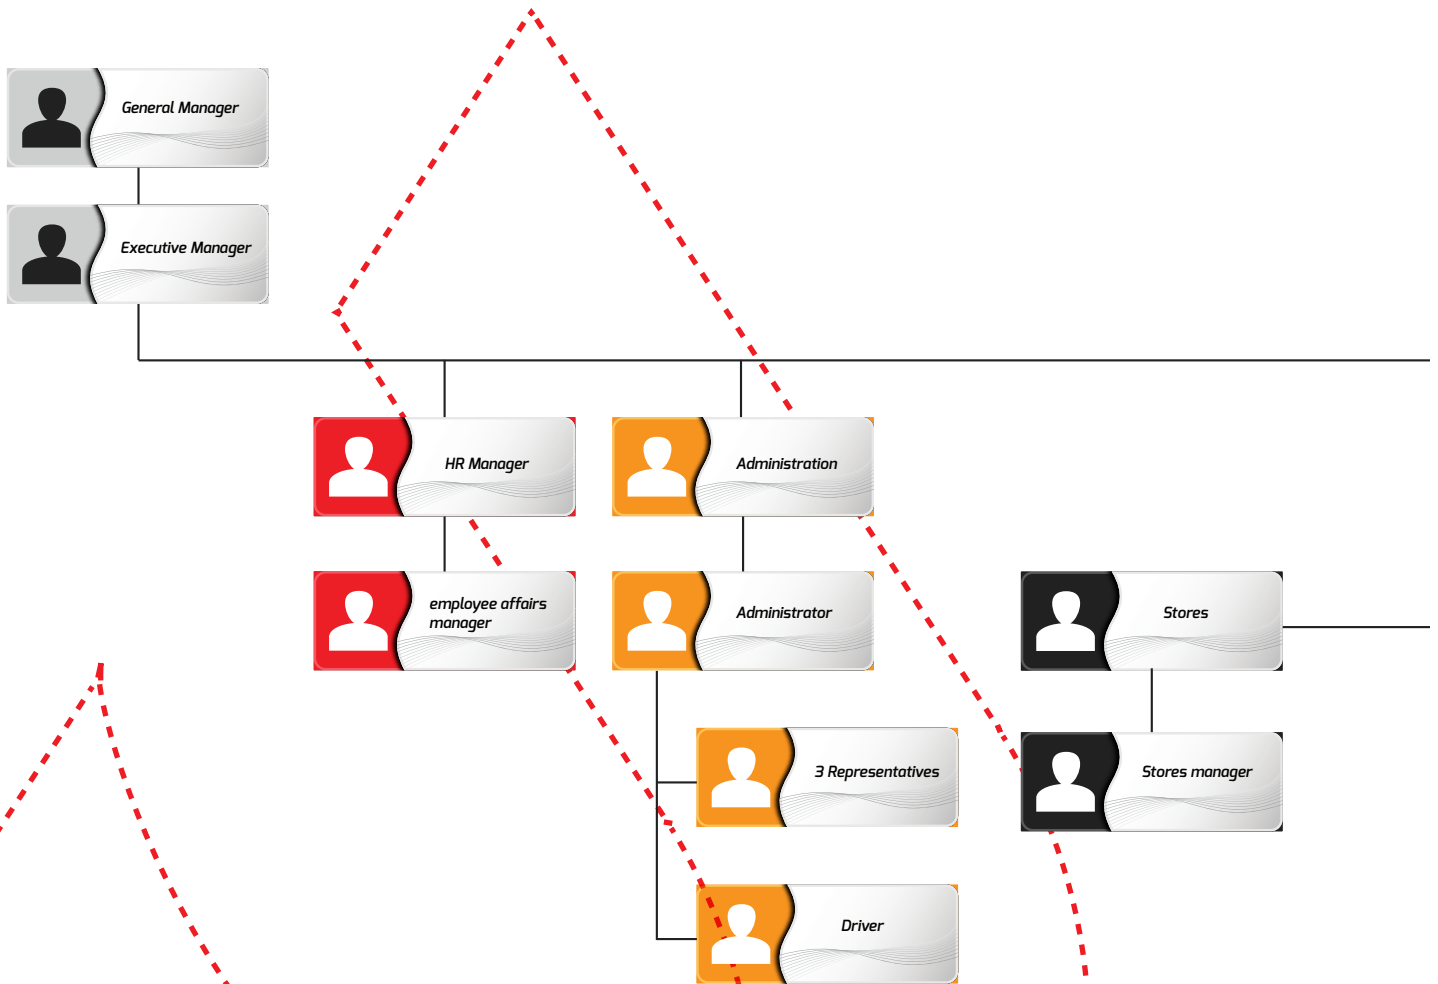

OUR TEAM

AMAZING PEOPLE WORKING AS A TEAM

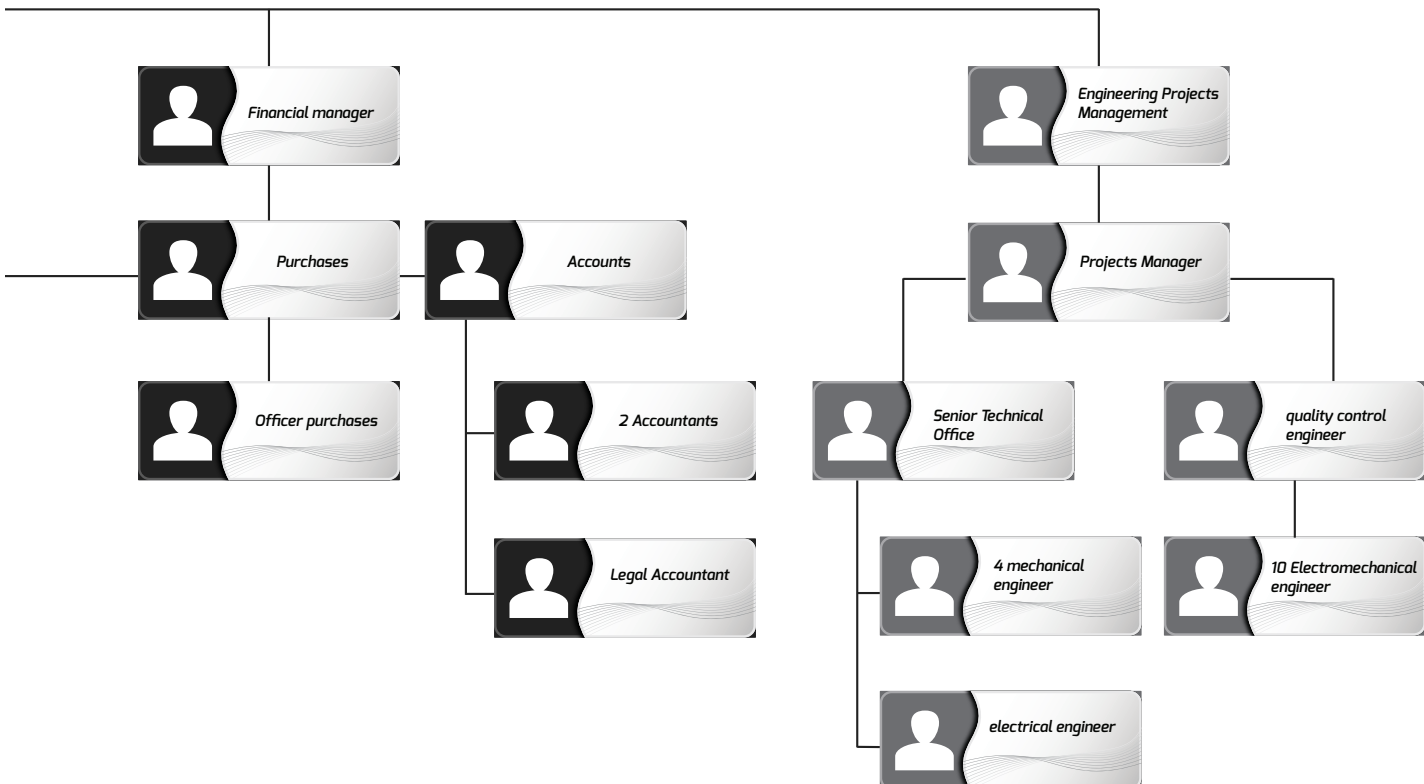

UEC team where the people behind a company are as important as the company itself,

Our team With 10 years of experience in the electromechanical field can provide any needs in any electromechanical installation for all kind of building

A sincere thank you to our loyal employees. We appreciate your devotion, your loyalty and your trust in us for the past years. You are the ones that have helped us grow. Thank you for being part of our company.

ORGANIZATION CHART

OUR SERVICES

LOOK WHAT WE CAN DO FOR YOU

UEC provides services covering project budgeting, construction, engineering, procurement, development, execution, testing and commissioning through complete construction procedures for residential, commercial, health care, hospitality, institutional and industrial projects

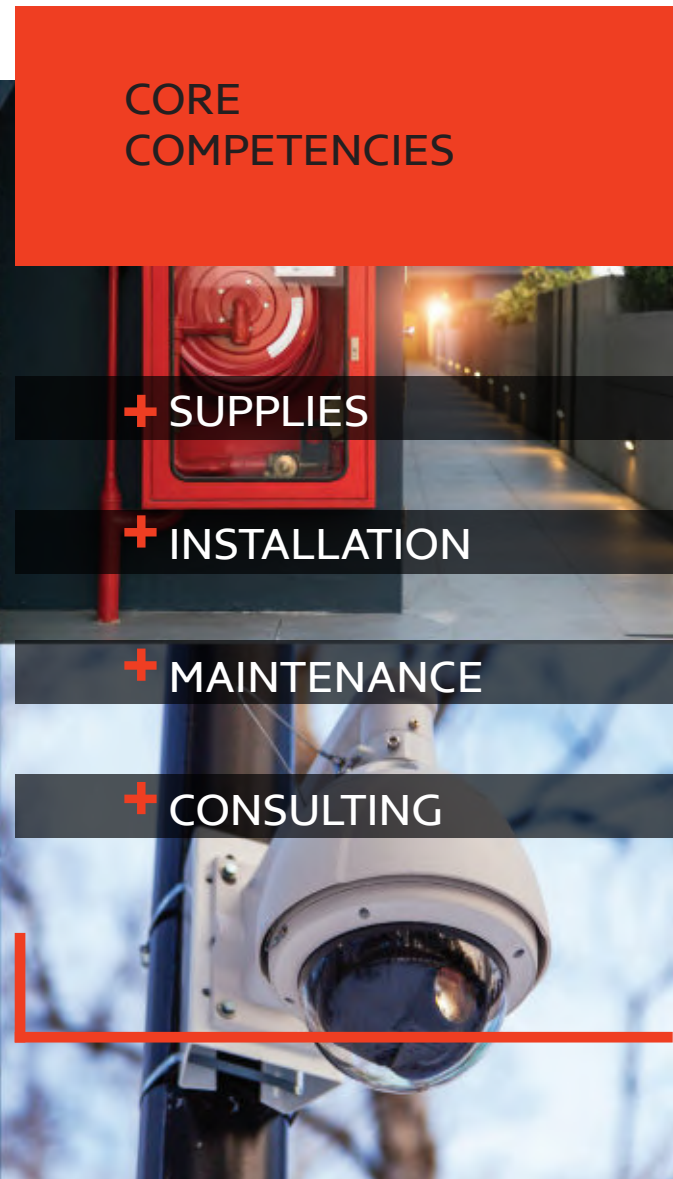

CORE COMPETENCIES

+ SUPPLIES

+ INSTALLATION

+ MAINTENANCE

+ CONSULTING

ANYTHING YOU WANT WE WILL DO THE BEST FOR YOUR PROJECT

- SUPPLY & INSTALLATION OF CHILLED WATER HVAC SYSTEMS & DX PACKAGES AND UNITS
- SUPPLY & INSTALLATION OF FIRE FIGHTING AND FIRE ALARM SYSTEMS
- SUPPLY & INSTALLATION OF FIRE ALARM SYSTEMS
- SUPPLY & INSTALLATION OF DATA AND NETWORK SYSTEMS
- SUPPLY & INSTALLATION OF CCTV SYSTEMS
- SUPPLY & INSTALLATION OF PUBLIC ADDRESS SYSTEMS
- SUPPLY & INSTALLATION OF AUDIO VISUAL AND CONFERENCE SYSTEMS

AIR CONDITION

supply & install Air Conditioning, Heating and Ventilation Systems. Car Parking Ventilation. Smoke Management & Control Systems. Central Chillers Building Management Systems.

FIRE FIGHTING SYSTEM

supply & install Water based Fire Protection Systems Including:- Water Sprinkler - Stand Pipes and Fire Hose Cabinets
Foam Water Solutions Fire Protection Systems.
Gas Suppression Systems Including:- Clean agent Gas suppression Systems.
CO2 Gas suppression Systems.
Fire Pumps

FIRE ALARM SYSTEM

Supply & install Fire Alarm systems

CCTV SYSTEM

Supply & install CCTV Systems

DATA SYSTEMS

Supply & install Data and Network Systems

VIDEO CONFERENCE

Supply & install of Audio Visual and Conference Systems

Design, Supply, Installation & Operation of Electronic Archi System

AIR CONDITIONS

EGYPTIAN GENERAL ORGANIZATION FOR BOOK // CASE STUDY

PROJECT STATISTIC

OUR SCOPE TO SUPPLY & INSTALL HEATING, VENTILATION, AND AIR-CONDITIONING (HVAC) SYSTEM OF DX PACKAGE & SPLIT UNITS

▼ THE CHALLENGE

the building is very old and the places which install the air conditions units in it and also to achieve specific temperatures according to the owner request because of the printing machines which have specific temperatures

▼ OUR SOLUTIONS

Execution the air condition project on the highest quality in Despite many difficulties

TIME TO COMPLETE
6 MONTH

MANPOWER
10

FIRE FIGHTING SYSTEM

GAMAL ABDEL NASSER MUSEUM // CASE STUDY

PROJECT STATISTIC

OUR SCOPE TO SUPPLY & INSTALL FIREFIGHTING SYSTEM, WATER SYSTEM, STANDPIPE SYSTEM, CLEAN AGENT (FM-200), TOTAL FLOODING CO2

TIME TO COMPLETE
16 MONTH

▼ THE CHALLENGE

the different use of the museum & there are precious things in the rooms

▼ OUR SOLUTIONS

Execution the Firefighting project to Gamal Abdel Nasser Museum Where there are almost fire fighting systems in the world

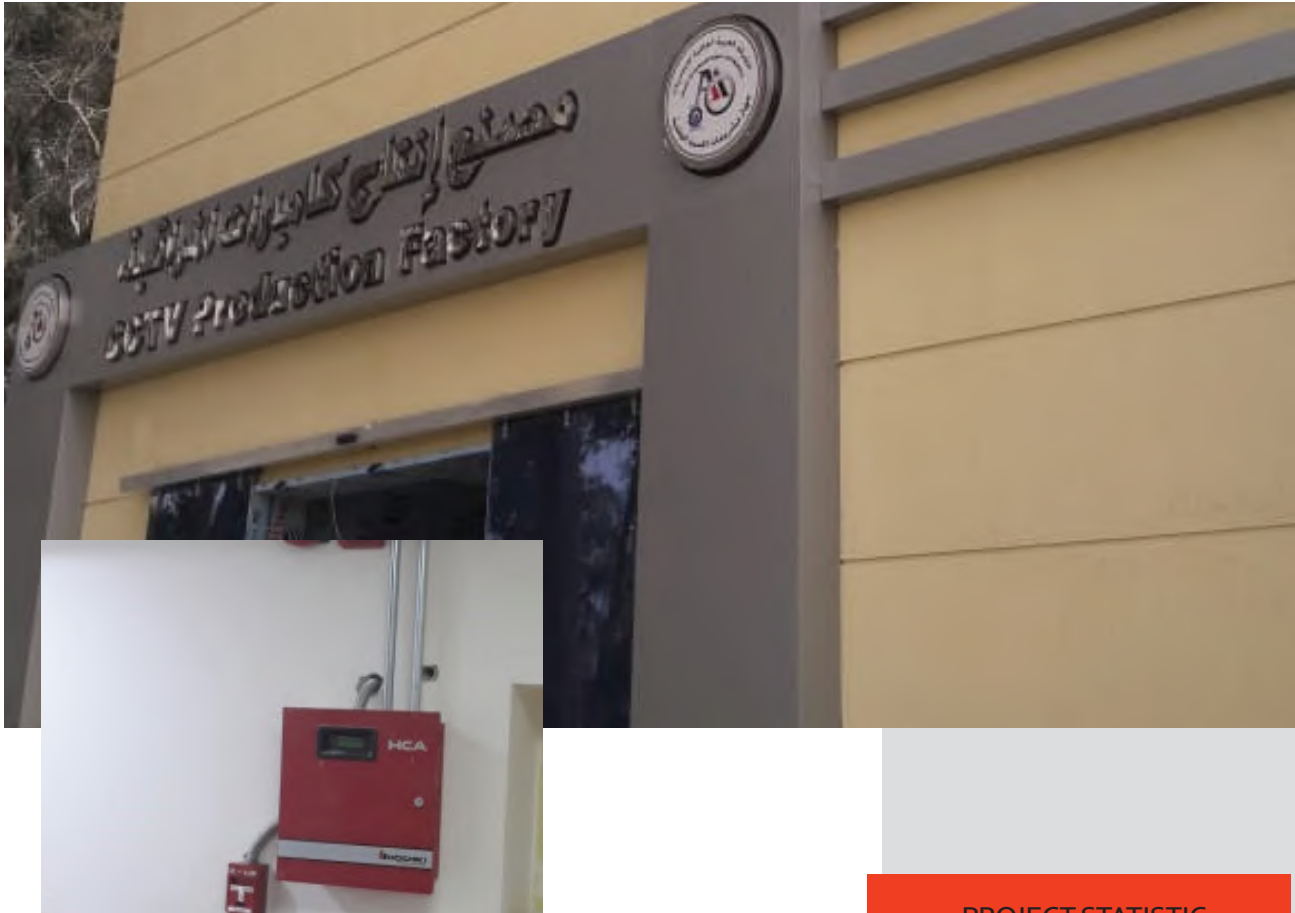

we used pre-action system & Water wet system and also install FM200 system & CO2 system and the project installed under supervision one of the biggest consultants in Egypt.

MANPOWER
15

FIRE ALARM SYSTEM

LED FACTORY // CASE STUDY

OUR SCOPE TO SUPPLY & INSTALL FIRE ALARM SYSTEM

▼ OUR SOLUTIONS

Execution fire alarm project in the LED factory one of National Service Products Organization by linking all the factories and administration buildings on the fire alarm panel inside the security room and control all the panels inside the company via network cards

PROJECT STATISTIC

TIME TO COMPLETE
3 MONTH

MANPOWER
8

CCTV SYSTEM

THE CULTURE OASIS // CASE STUDY

PROJECT STATISTIC

TIME TO COMPLETE
12 MONTH

MANPOWER
8

OUR SCOPE TO SUPPLY & INSTALL CCTV SYSTEM .

▼ OUR SOLUTIONS

Execution one of the greatest projects which done for CCTV System in Egypt, that was install CCTV System about more than 300 Camera for the Culture Oasis - 6 October for the Egyptian Opera House

DATA SYSTEM

EGYPT PUBLIC LIBRARY // CASE STUDY

PROJECT STATISTIC

OUR SCOPE TO SUPPLY & INSTALL DATA SYSTEM

▼ OUR SOLUTIONS

Execution one of the most important projects, that was renew the data system to the Egypt Public Library (Mubarak Library previously) and connected to all affiliated branches such as Alexandrina Library

TIME TO
COMPLETE
3 MONTH

MANPOWER
6

VIDEO CONFERENCE

ACADEMY OF SCIENTIFIC RESEARCH // CASE STUDY

PROJECT STATISTIC

TIME TO COMPLETE
3 MONTH

MANPOWER
6

OUR SCOPE TO SUPPLY & INSTALL VIDEO CONFERENCE SYSTEM

▼ OUR SOLUTIONS

Execution one of the most important projects in the company, that was installation video conference system to Academy of Scientific Research to make the important meetings for the Academy of Scientific Research With different universities for scientific research in all the world

ELECTRONIC ARCHIVING SYSTEM

EGYPTIAN OPERA HOUSE // CASE STUDY

OUR SCOPE TO DESIGN, SUPPLY, INSTALL & OPERATION ELECTRONIC ARCHIVING SYSTEM

▼ THE CHALLENGE

The national importance of what the old audio-visual recordings of all Operas Parties and how bad the tape and CDs on which concerts had recorded on these

▼ OUR SOLUTIONS

Our solution depended on the integrated system provided for the process of securing electronic data (backup, recall and archive) relied on a system to implement a software solution [secure electronic data] that will provide backup and recall, file preservation (archive) and hierarchical storage management
